I certify that the following-named taxpayer has met one or more of the elements of the Internal Revenue Code (IRC) section 6323(j). The Internal Revenue Service therefore withdraws the Notice of Federal Tax Lien for these taxes and additions. The withdrawal of this notice of lien does not affect the statutory lien provided by IRC section 6321; it simply relinquishes any lien priority obtained by the Internal Revenue Service when the notice was filed. The proper official, in the office where the Notice of Federal Tax Lien was filed on May 31, 2002, is authorized to update the records to show the withdrawal of the notice of lien for these taxes and additions.

ABSTRACT OF JUDGMENT

NOTICE

Pursuant to Title 28, United States Code, Section 3201, this judgment, upon the filing of this abstract in the manner in which a notice of tax lien would be filed under paragraphs (1) and (2) of 26 U.S.C. 6323(f), creates a lien on all real property of the defendant(s) and has priority over all other liens or encumbrances which are perfected later in time. The lien created by this section is effective, unless satisfied, for a period of 20 years and may be renewed by filing a notice of renewal. If such notice of renewal is filed before the expiration of the 20-year period to prevent the expiration of the lien and the court approves the renewal, the lien shall relate back to the date the judgment is filed.
